**Subject: Final Supplemental Remedial Design Investigation Report (SRDIR)
Mercury Refining Superfund Site, Colonie, New York**

Dear Mr. Mongelli:

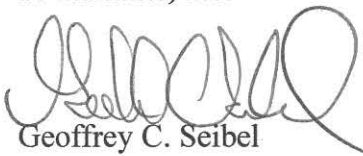

On behalf of the Mercury Refining Site Remedial Action Group (Group), enclosed please find the Final Supplemental Remedial Design Investigation Report (SRDIR) prepared by Brown and Caldwell Associates (BC). This version of the SRDIR responds to comments from USEPA/CDM Smith which were provided in a letter dated January 14, 2013. Also enclosed is a Response to Comments document which provides specific responses to the January 14, 2013 comments and identifies how the SRDIR was revised.

I trust the responses and associated revisions are responsive and I look forward to receiving your approval of this report.

As always, please contact me with any questions.

Sincerely,

de maximis, inc.

Geoffrey C. Seibel
Project Coordinator for the Group
